

Calendar Announcement Update

Edgartown Yacht Club's Edgartown Race Weekend
Martha's Vineyard, Massachusetts

DATE CHANGE UPDATE: July 22 – 24, 2021

EYC would like to announce updated dates for Edgartown Race Weekend ("ERW") for the 2021 iteration of the regatta, now set for **July 22 – 24, 2021**. To better allow for East Coast sailors to take advantage of all types of racing next summer, this new regatta schedule allows sailors to compete in the Buzzards Bay Regatta in addition to other regional events. ERW will include buoy racing and 'Round-the-Island' racing segments featuring One-Design and ratings-based scoring systems, in addition to (hopefully) new onshore events and activities. We are still excited to offer free moorings for the first 50 ERW entrants, and hope to resume our typical onshore parties and activities, in addition to new ones in 2021. **In addition, we highly recommend reserving accommodations for next year (which can be found [HERE](#) on the EYC website), as availabilities fill up fast and early.**

All the best,
